Warranty extension  
4-year warranty package

**huber**

# Trouble-free and comprehensive

## - our 4-year warranty package

We offer an extensive warranty extension\* with numerous benefits. To take advantage of this option an online registration of the Huber unit is required. The standard warranty is for 12 months from the shipping date (FCA Offenburg, Germany).

The 4-year warranty is provided at no extra cost. Registration of the end customer's address must be completed within 3 months from the delivery date.

*\* The warranty extension is not valid for Van der Heijden units. Registration for these units is not possible.*

# 4-year warranty

for all electronic, electrical, refrigeration and mechanical components
